My Moving Booklet by Valerie Besanceney is a workbook that aims to prepare children for a move to a new location. Moving can be scary, confusing, exciting, or a complex mix of these and other feelings. This book offers an opportunity for children to express what they feel at each step of the move, including their resettlement in their new home.

My Moving Booklet by Valérie Besanceney

My Moving Booklet is designed to help children through the initial stages of an upcoming move. Moving usually means going through quite a rollercoaster of feelings. It can be exciting and terrifying at the same time. It can be very sad to say goodbye, but it can also be incredibly fun to experience new things and meet new people. Everybody experiences a move differently, but it is very ...

My Moving Booklet - princess.kingsbountygame.com

My Moving Booklet traces the contours of every move's landscape, freeing the young explorer to color in the mountains and valleys he or she encounters. Each turn of the page quietly reinforces this book's most important message to children: someone knows where you are. Moving isn't easy. Being reassured you're still on the map makes it easier. And because children clutch tightly to the people ...
