princess may try seven times to escape,By changing her colour and changing her shape. But each time Princess Eliza changes - into a blue fish, a yellow chick, a red fox, or a black cat - the wicked wizard finds her and sets her another horrible task. Will this plucky princess be able to outwit him and escape back to the palace in time to cut her birthday cake? The Princess and the Wizard is a magical adventure from the stellar picture book partnership of Julia Donaldson and Lydia Monks, creators of What the Ladybird Heard. With brilliant rhyming verse, bright and distinctive illustrations and a gorgeously glittery cover, this story is perfect for reading together.

The books' thick cardboard pages resist rips and tears.

Rare edition with unique illustrations. Hans Christian Andersen was a Danish author best known for writing children's stories including "The Little Mermaid" and "The Ugly Duckling." But he didn't just write short stories, and his intended audience wasn't restricted to children. In addition to his fairy tales, Andersen wrote poems, plays, novels, travel books, essays, and more. He hungered for recognition at home (Denmark) and abroad-and he got it! Eventually. Today, his stories can be read in over one hundred languages. But no matter what language they're in, Andersen's tales have got something for everyone. In them, you'll find beauty, tragedy, nature, religion, artfulness, deception, betrayal, love, death, judgment, penance, and-occasionally-a happy ending. They're complex tales, but since Andersen himself was pretty complex, we like to think that art imitates life. Or something like that. The Princess and the Pea is a literary fairy tale by Hans Christian Andersen about a young woman whose royal identity is established by a test of her physical sensitivity. The story tells of a prince who wants to marry a princess, but is having difficulty finding a suitable wife. Something is always wrong with those he meets, and he cannot be certain they are real princesses. One stormy night a young woman drenched with rain seeks shelter in the prince's castle. She claims to be a princess, so the prince's mother decides to test their unexpected unwitting guest by placing a pea in the bed she is offered for the night, covered by 20 mattresses and 20 feather-beds. In the morning, the guest tells her hosts that she endured a sleepless night, kept awake by something hard in the bed; which she is certain has bruised her. The prince rejoices. Only a real princess would have the sensitivity to feel a pea through such a quantity of bedding. The two are married, and the pea is placed in the Royal Museum.

In this modern fairy tale, a strong, brave maiden is invited to attend the prince's royal ball, but at the dance, she ends up finding true love in a most surprising place. "The prince is smart and strong," she confided in her mother. "But if I'm being honest, I see him as a brother." Her mother said, "Just go! And have a bit of fun. The prince might not be right, but maybe you'll meet the one." Once in a faraway kingdom, a strong, brave maiden is invited to attend the prince's royal ball, but she's not as excited to go as everyone else. After her mother convinces her to make an appearance, she makes a huge impression on everyone present, from the villagers to the king and queen, but she ends up finding true love in a most surprising place.

"Brilliant." —Kirkus Reviews, starred review What if princesses didn't always marry Prince Charming and live happily ever after? In this stunning anthology—elegantly presented in a red, clothbound hard cover with gold-toned metallic debossing—15 favorite fairytales have been retold for a new generation. These princesses are smart, funny, and kind, and can do anything they set their minds to. Focused on issues including self-image, confidence, LGBTQ, friendship, advocacy, and disability, these stories are perfect for sharing between parents and children, or for older princesses or princes to read by themselves. They teach that a princess is a person who seeks to help others, is open to learning new things, and looks for ways to add purpose to their lives and the lives of those around them. Get reacquainted with these powerful princesses: Snow White—champion of real beauty Sleeping Beauty—specialist on sleeping disorders Thumbelina—music producer and advocate Rapunzel—world-famous architect Belle the Brave—undercover agent Elisabeth and the Wild Swans—fashion designer Cinderella—prime minister and businesswoman Star and the 12 Dancers—dancer The Goose Girl—stand-up comedian Princess Sevinah (and the Pea)—founder of the Fairyland Dating Service The Snow Queen—winter sports coach The Little Mermaid—advocate for peace between mer-people and humans Zade—storyteller (of 1001 tales) and businesswoman Evangeline (The Frog Princess)—natural historian Little Red Riding Hood—environmentalist and Princess of the Wolves Power to the princess!

For many parents, curling up with a book for a bedtime story with their kid is a daily ritual. For others, it is the perfect time to spend time with their children after a busy day, and for some, it is something they should do but are not entirely sure why. Discover these benefits of bedtime stories for kids. Sharpen their brains Research shows that one of the greatest benefit of interacting with children, including reading to them stories, is that children learn a great deal of things- from improved logic skills to lowering their stress levels. Bedtime stories rewire the brain of a child and quicken their mastery of language. Their vocabulary repertoire is expanded and their listening and oral communication skills enhanced.bedtime stories for kids Enhance creativity and Stimulate imagination If you are a good storyteller, then you should teleport your kid to a different realm- from reality to fantasy for the child to learn the difference between these two. This will enhance and stimulate his imagination.children's books kindle Emotion development The kid will learn to experience different emotions while empathizing with the characters of the story. The common emotions of sadness, happiness and anger may be encountered and he will learn to control these in real life.bedtime story for kids
