Complete HMO Property Success by Nick Fox is a must-read for anyone looking to invest in property. This book provides a comprehensive guide to the HMO market, covering everything from the basics of what an HMO is to the advanced strategies of sourcing, refurbishing, and managing a portfolio of HMOs. Fox's personal experience and expertise are shared throughout, making this a practical and valuable resource for both newcomers and seasoned investors alike.

Nick Fox's first two HMO-focused books together in one! This HMO 'superbook' is essential reading for anyone who's starting out in property investment and wants to generate income. It begins by looking at investing in Houses in Multiple Occupation as a business and takes you through how to successfully source, refurbish, let out and manage a highly cash-positive portfolio. The second part then focuses on the all-important renovation stage. It details how to budget, plan your works, manage your project and carry out the refurbishment in such a way that your HMO performs as you need it to and you get the returns you. A prolific and highly successful investor, Nick's personal portfolio extends to more than 200 properties, both shared accommodation and single household lets - and he has interests in several development projects.

Do you want a secure financial future that starts sooner, rather than as you're approaching retirement? By investing in multi-let properties, you can double or even triple the level of rental income generated by single letting, and realise cash flow from the start. In this book, multiple business owner and investor, Nick Fox, clearly guides you through the steps to building an HMO portfolio that delivers both on-going income and a tangible pension pot. Having been self-employed since he left school, and now with a portfolio of more than 200 properties, Nick knows what it is to start a business from scratch and make it profitable, even through a global economic crisis. "As with any business, success in property investment demands careful preparation and hard work, and there are challenges to be overcome. By sharing my HMO business model and the knowledge I've gained from experiences, good and bad, I hope I can make it easier for other investors to achieve their own success and financial freedom." Nick Fox "This is essential reading for anyone wanting to build an income-generating property portfolio - Nick really knows what he's talking about." Neil Mansell, Portfolio Owner, Entrepreneur and Author

Are You? Either an existing landlord looking at switching your current buy to let homes to shared houses in order to maximise returns, or you are at the start of your property investment journey and want to become a professional HMO landlord. Either way, HMOs are fairly new to you. Then this is the book for you This book has been put together by Nick Fox, who, with more than 500 individual rooms let in the East Midlands is one of the UK's most experienced HMO portfolio investors. This is a comprehensive and more detailed/in depth version incorporating his first book, 'HMO PROPERTY SUCCESS', and is aimed at specialist property investors who are looking to concentrate on the niche House in Multiple Occupation (HMO) market. HMOs (shared houses) require different investment strategies and management skills to letting 'standard' buy to let homes. The financials behind the investment are also different and most local authorities apply tougher safety and management rules to HMOs than they do to other properties. This book takes you through every step of understanding HMOs as an investment, sourcing, acquiring, letting and then managing them in such a way that you maximise your returns. It also guides you through how to ensure you are compliant with all your legal, financial and tax obligations. The HMO market is vast and growing. Modern HMO properties are slick and fashionable homes, let by professional landlords to young professional people or students. This book will teach you how to provide decent homes for multiple tenants while realising high yields and profits for yourself.

Successful renovation and refurbishment relies on spending the right amount of money in the right way, so are you ready to hone your budgeting, planning and project-management skills? Alongside the deposit, this is where the biggest chunk of your investment funds will be spent. You need to analyse the figures, budget correctly, plan the work in detail and ensure it's carried out properly so that your buy to let performs as you need it to. Not sure how to do that? Then this is the book for you! PROPERTY RENOVATION & REFURBISHMENT SUCCESS "

Written by an HMO landlord with 20 years' experience, this frank and helpful guide looks at exactly what works and what doesn't when managing properties. Instilled with a strong sense of evidence and proof, he exposes some widely-accepted claims as rubbish or a con. The aim is to ensure maximum income for minimum work. It includes helpful information such as: -How to pick good tenants and get rid of bad ones -Whether to believe non-payment excuses -When to give something for free and when to charge -When to serve notice on a tenant -How to deal with abandonment and late payments -How to avoid litigation -And much more! A set of rules, principles and structure for all HMO Landlords. C. J. Haliburton HMO Daddy, Jim Haliburton, is an experienced landlord with over 100 HMOs and 800 tenants. He's featured on the BBC show 'Meet The Landlords' and is author of over 10 books and manuals including How to Become a Multi-Millionaire HMO Landlord. www.hmodaddy.com

Whether you're looking to focus purely on HMOs, build a varied portfolio of rental properties, or employ a number of different strategies to make money from property, '101 TOP TIPS' is full of useful information that will help keep you at the top of the property investment business. Nick Fox has spent the past decade amassing a highly profitable buy to let portfolio and continues to invest in a variety of property projects and business ventures. His tailored mentoring programmes have helped many aspiring investors realise their own potential in the property field. "Nick's knowledge about property investment - particularly with regard to generating high levels of cash flow from buy to let - is truly impressive. Every time we speak I learn something new and he's always quick to give a helpful tip, no mater what the question or situation." Neil Mansell, HMO Portfolio Landlord and Author of the Amazon bestseller, 'Wage Slave to Financial Freedom'
