Crisis, Issues and Reputation Management defines reputation, explores how to value it and provides practical guidelines for effective reputation management, including advising companies on how to approach issues of Corporate Social Responsibility. ...more.

~~Crisis, Issues and Reputation Management: A Handbook for ...~~

Review: Crisis, Issues and Reputation Management. 11 Feb. The CIPR defines public relations as being 'about reputation – the result of what you do, what you say, and what others say about you.'. So it's surprising that the very first book in the 15-strong CIPR/Kogan Page PR in Practice series to even mention reputation in its title was published only last year.

~~Review: Crisis, Issues and Reputation Management | PR Studies~~

Our crisis and reputation management team can handle corporate crises across a range of practice areas and sectors, and is led by commercial and regulatory litigators who are experienced in handling multi-faceted business problems and large volumes of documentation under pressure. Crisis, Issues and Reputation Management defines and explores the value of reputation, providing practical guidelines for effective reputation management that will resolve issues with minimum damage and disruption to the business.

~~Crisis, Issues and Reputation Management : Andrew Griffin ...~~

Issue management is a normal executive activity, done according to schedule in office hours while business continues. A crisis, by definition, is outside normal experience, it causes top executives to drop all other priorities, and it may severely disrupt continuity of the organization's core business.

~~Issue? Crisis? What's The Difference and Why Is It ...~~

For me, one of the best texts is from a practitioner: Crisis, Issues and Reputation Management by Regester Larkin's Andrew Griffin. When published in 2014, it was the first in the long list of CIPR/Kogan Page PR in Practice books to reference 'reputation' in its title.
