Engine serial # 6833766. Stern Drive # 6738510. I just purchased this boat yesterday and the PO started it in the driveway with the muffs. It finally started after about 3–4 minutes. He said it has a "flooding problem." It is really hard starting and before I screw with anything I figure I would be best off to purchase the CORRECT service manual for this engine. I believe it is the #3 manual ...
