Student Handbook 2019–2020

January 26, 2016. This book titled “Civil Engineering Handbook by P.N. Khanna” has been compiled primarily for the “Practical man” and should prove a most useful work of reference to the young engineers of various public works departments. The object of this volume is to give a fairly complete but concise account of the various subjects to serve as a ready reference for everyday-work problems which constantly con-front the engineers.
