The third book in Eugene Peterson's momentous five-volume conversation on spiritual theology, The Jesus Way considers the "way of the Lord" that became incarnate and complete in Jesus. Arguing that the way Jesus leads and the way we follow are symbiotic, Peterson challenges the ways of the contemporary American church, showing how they often obliterate what is unique in the Jesus way. This helpful study guide is designed to enable small groups in schools or churches -- or even individuals -- to delve deeper into the timely wisdom of The Jesus Way. Peterson's discussion is broken up here into eleven "sessions," each of which contains a summary, a list of key adjectives, quotations to consider, and questions for interaction, ending with a select prayer from one of several "traveling companions on the Jesus way."

David is the paradigmatic king in the Old Testament. His kingship recalls that of Adam in the Garden of Eden, and yet it points toward the King par excellence, Jesus Christ. In David the King, Bishop Barron helps us to understand this pivotal figure in light of the first king and the King of kings. Adam was the first king and steward of the rightly ordered Garden of Eden. He was called to govern the garden according to God's mind and purpose, but by allowing negative influences to wreak havoc on Eden, he did not fulfill his kingly responsibility. Long after Adam, David emerged as the definitive king who would restore order in the Garden and bring the world under the lordship of God. But like Adam, David fell, and his reign ushered in a succession of compromised kings and rejected prophets. The Scriptures, however, foretold a son of David who would realize the fullness of Israelite kingship ... but whose actual reign defied expectation.

Enter a radical reconstruction of what we've learned to believe about God and masculinity. The Becoming A King Study Guide is an invitation to enter a rare and remarkable fellowship of like-hearted men. It's a call to have honest conversations about what power and responsibility look like for men in our world today. It's a journey to rediscover your kingship in Christ and the narrow path that leads to this inner transformation. In this six-session video Bible study, journey with Morgan into a process that helps men discover and recover: Our true courage Our vulnerability God's design and desire to empower us in his Kingdom. It is God's intention to entrust us to participate in the ongoing creativity of the universe. Yet, even a glance at our history and the world around us shows that the story of most men who are entrusted with power is a story of self-harm and harm of those under their care. What's gone wrong? When can you entrust a man with power as God intended? When we take a deeper look at the external problems around us, we begin to see that the problems lie rooted within our own souls. Despite that, there is hope. Curated and distilled over more than two decades, and mined from the lives of over seventy-five sages who have gone before us, Morgan shares what he discovered: an ancient and reliable path to restoring the heart of a man and becoming the kind of man who can wield power for good. This study includes video notes, group discussion questions, and between-session personal study for each session. Do you find it more difficult to think of Jesus Christ as a human, like you, than to think of him as God? You may believe in God, and you may believe Jesus is God, but many Christians find it difficult to think of him as a real person—fully human as he was fully divine. Award-winning author Max Lucado reveals in this video Bible study that in order to really know God and understand the Gospel, it's essential that we take a closer look at Jesus' humanity. The concept of Jesus' human and heavenly nature is difficult to wrap our minds around. He's the God who formed the universe and, at the same time, knows your personal struggles...because he went through the same things. For thirty-three years Jesus felt everything you have ever felt. Weakness. Weariness. Sadness. Rejection. His feet got tired. His head ached. He was tempted and his strength was tested. The purpose of this study is simple: by journeying through these six lessons with a small group, you will get to know Jesus—and, therefore, God—like you never have before. And by learning more about the person Jesus was and is, we come to understand more clearly the people we were created to be. The Jesus Study Guide includes: video teaching notes group discussion questions and activities Bible exploration and prayers and weekly personal study and reflection materials. Get ready to study who Jesus was while he walked this earth and what that means for your life today. In doing this, you will get to know God, his purpose for you, and his love for you like you never have before. Sessions include: God with Us Friend of Sinners Compassionate Physician Great Teacher Miracle Worker Victorious Sacrifice Designed for use with the Jesus: The God Who Knows Your Name Video Study available on DVD or streaming video, sold separately.

"This book presents a biblical theology of discipleship that gives the "big picture" of God's relationship with humanity. It surveys God's interaction with humankind from Eden, through the sequence of the biblical covenants, and on into the fulfillment that comes in Jesus. Throughout, the twin themes emerge—one of God's demand of righteousness and another of his prior, enabling grace. Discipleship to Jesus stands in relation to its Old Testament precedents, preserving continuity in the grace/demand interplay. Jesus' ministry to Israel is the fulfillment of the interactions between God and his people, assuming the roles of righteous King and gracious Servant. Faithful discipleship to Jesus the King, therefore, must always involve responding to his bracing call for righteousness, but doing so in the ongoing experience of the Servant's prior, enabling grace. This book provides an understanding of Jesus that will facilitate ongoing experiences of transforming grace, which in turn will enable faithful discipleship. As such, it presents a view of Christian discipleship that is grounded in an informed Christology of Jesus, the Servant King."

We were born for deep, meaningful intimacy with our Father-King.

These studies take you on a journey of discovery as the disciples learn who Jesus really is.
