Hi All, I wanted to be able to import the LEAGUE standings from NFL.COM into 'League Standings' tab of the attached worksheet. Below is the link for the standings:

---

## Help Importing League Standings into Spreadsheet [SOLVED]

It's a fairly straight forward workbook. The first sheet, Picks, has the full schedule already included. The info it needs from you is the spreads you intend to use, the final score of each game, and the pick for each participant. If you want to pick straight up winners then you can leave all the spreads blank and it will still function just fine.
