Learn about the inspirational story of Novak Djokovic
In Novak Djokovic: A Biography of the Serbian Superstar you will learn about the life, professional career, and accomplishments of Novak Djokovic. There were two tennis superstars who ruled the sport--and this is the story of the player who pushed them aside to dominate tennis. Novak Djokovic wasn't supposed to be a tennis player, but as a child he decided to pick up a racket; and that eventually led him to being the player to end the era of Roger Federer and Rafael Nadal. His story is unlike other players', as he dodged air strikes in Serbia to practice, then headed to Germany to learn about the game, and progressed to being the highest money earner that tennis has ever seen. All his Grand Slam wins and all his great rivalries made him a player without equal. Few tennis players have grabbed the attention of tennis fans like Novak Djokovic has. His complete game has won him all four Grand Slam tournaments. He has set records and is among an elite group of all-time greats. But before he dethroned Roger Federer as tennis' best, he had a unique, and unlikely, journey from tennis courts on a mountain to Centre Court at Wimbledon. Here is a preview of this biography: Novak, Tennis and Serbia The German Tennis Academy 2005 Australian Open Qualifier First ATP Title Winning the 2008 Australian Open Chasing Federer: Ranked Number 1 in 2011 Battling Federer, Murray and Nadal Finally Gets the French Open Djokovic Versus Sampras, Laver, Federer and Other Greats Here is an excerpt from the book: As Novak's victories kept adding up, the media spotlight intensified on him, and reporters and fans often talked about how he bounced the ball a lot before he served. As many as fifteen or twenty times, the number of times he bounced the ball before serving irritated some players and fans. Mind games are a big part of sports, and if Novak was doing it to get an advantage, it probably worked more than once. People started counting the bounces, and Novak must have as well: "My record was in 2007 during the Davis Cup against Australia. I made the ball bounce thirty-eight or thirty-nine times (before serving)." It was a great year for Novak. He won \$12,595,903. He won 93 of his matches. He added ten more titles to his trophy case. Novak set impressive win streaks, including thirty-one wins in consecutive Masters matches and also a streak of forty-three tennis-match wins. He won a title at three Grand Slams and advanced to the semifinal in the other. He achieved the No. 1 ranking in the world. Novak had it all.

In Novak Djokovic: The Inspiring Story of One of Tennis' Greatest Legends, you will learn the inspirational story of one of tennis' premier legends, Novak Djokovic. Novak Djokovic has come a long way since reaching his first Grand Slam final in the 2007 US Open. There was little doubt that even in his defeat to fellow legend, Roger Federer, that Djokovic was going to be embarking on an illustrious tennis career. He has since validated this belief. At the age of twenty-nine, Novak Djokovic is a 12-time Grand Slam champion, and has held the top spot of the ATP Tour for more than 220 weeks. The most impressive part has been his absolute dominance in the last half decade of tennis, as he has won multiple Australian Opens, Wimbledon, and US Opens. In this unauthorized biography, we'll explore Djokovic's journey to becoming one of the greatest, and learn what it has taken him to reach where he is today. Here is a preview of what is inside this book: Early Life and Childhood Junior Years and Early Career Djokovic's First Major Title, The 2008 Australian Open Years of Dominance and Key Majors Most Notable Rivalries Djokovic's Personal Life Djokovic's Impact on Tennis and Beyond The Legacy of Novak Djokovic
An excerpt from the book: He is combustible while competitive; temperamental, yet oh so talented. He is prickly, yes, but a definite prodigy. The owner of a swashbuckling style he has ridden to success. He is controversial at times, sure, but a champion without a doubt. No one word is ever going to fully fit all of who Novak Djokovic is because the sum of all who he is transcends a mere one-word description. He is one of the greatest tennis players of his generation who has transcended into being one of the most impactful tennis players of any generation. He has willed himself from a talented yet scrawny Serbian teenager into a multiple-time Grand Slam winner who has the chance to do the unthinkable - surpass Roger Federer's record haul of Grand Slam titles, something once thought impossible for Federer himself to achieve. But how did he get here from there? How did the tennis player adored by many with chants of "No-le" arrive at the crossroads of greatness in a sport in which he has shared traits of both its heroes and villains? How has he come to thrive at a time where the division is enjoying some of its greatest depth of talent in its extensive history? Sacrifices were made by both him and his family. There were the perseverance and persistence to improve, first to simply be one of the "Big Four" who has defined the current state of men's tennis, and then to hold its throne. There was also an emotional maturing, one that has created a grounding in both his professional and personal worlds which helped him reach the pinnacle of his sport as the number one ranked player in the world and stay among its elite for a prolonged period.

This admired biography traces the rise of Roger Federer, from his first tentative strokes with a racket to legendary status, and perhaps even the title of greatest tennis player ever. It looks at his development as a sportsman and how he has matured into a family man after his marriage and the birth of twin girls, followed by twin boys in 2014. With his remarkable return to top-level form after his grim 2013, culminating in his searing Switzerland's Davis Cup triumph in November 2014, and his narrow loss to Novak Djokovic in the 2015 Men's Singles at Wimbledon, a fuller picture of the player's career can be painted. Far from being an endless recitation of tennis matches won and, sometimes, lost, however, the book also examines how Federer bounced back from arguably one of the most challenging periods of his career when he suffered a serious illness and a dip in form. In characteristic style, he silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown, winning Olympic gold, and in 2015 recording his 1,000th career win--a feat achieved by only two other players--as well as beating both Djokovic and Murray, the world Nos 1 and 2, to win the Cincinnati Masters for the seventh time. This masterly biography brings the player's story up to date, while also considering Federer the man and the player, as well as his place in tennis and sporting history.

Widely regarded as one of the greatest ever sportspeople, Roger Federer is a beloved as a phenomenon, a symbol of enduring greatness and yet is intensely private. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. Based on 20 years of one-on-one interviews with Federer and with wide access to Federer's inner circle, including his coaches and key rivals, legendary sports reporter Christopher Clarey's account will be a must-read retrospective for the loyal sports fan, and anyone interested in the inner workings of unflinching excellence. The Master tells the story of Federer's life and career on both an intimate and grand scale.

Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.
