Online auction site eBay has exploded since its inception, and now its motor vehicle sales arm is exploding as well. If you've bought or sold items on eBay before, you have some idea of the process, but buying or selling a vehicle over an online auction is more involved than selling your mother's teakettle. The

buyer needs to know what to look for and what to watch out for above and beyond the ordinary considerations of buying a vehicle. And for the seller, descriptions, photos, and most other details are much more involved than when selling other ordinary items on eBay.

Also time tables of railroads in Central America. Air line schedules.
