The Stillborn God is a book about what happens when you try to control what you don't really understand. Lilla claims that the problem is that people wanted to have it both ways: they knew you can't combine religion and politics, but they wanted to anyway and it worked until it got out of hand.

The Stillborn God: Religion, Politics, and the Modern West ...

The impact of religion on politics—particularly the invocation of divine authority to justify a specific social order—is an issue both interesting and complex. In *The Stillborn God*, Mark Lilla promises an episodic presentation of the rise and fall of political

Lilla religion and politics, but they wanted to anyway and it worked until it got out of hand.

The Stillborn God: Religion, Politics, and the Modern West ...

The Stillborn God is a compact book considering the breadth of material that it tries to cover. Lilla, a Columbia University humanities professor, is attempting to reach an audience beyond his professional peers, and he has succeeded in producing a volume that will appeal to a typical intelligent reader with an interest in politics, religion, and political philosophy.

Stillborn God: Religion, Politics, and the Modern West
by ...

The Stillborn God is a history of the emergence and a defence of 'modern political philosophy', as opposed to the 'Christian political theology' that came before it and has threatened again and again to reassert its dominance. Believers in the secular public sphere in the US are now on the defensive.
