Terence McKenna's True Hallucinations (2016) - IMDb

Like a lovely psychedelic sophist, McKenna recounts his adventures with psychoactive plants in the Amazon Basin. Either a profoundly psychotic episode or a galvanizing glimpse into the true nature of time & mind, McKenna is a spellbinding storyteller, providing plenty of down-to-earth reasons for preserving the planet.

True Hallucinations by Terence McKenna - Goodreads

This mesmerizing, surreal account of the bizarre adventures of Terence McKenna, his brother Dennis, and a small band of their friends, is a wild ride of exotic experience and scientific inquiry. Exploring the Amazon Basin in search of mythical shamanic hallucinogens, they encounter a host of unusual characters — including a mushroom, a flying saucer, pirate Mantids from outer space, an appearance by James and Nora Joyce in the guise of poultry, and translinguistic matter — and discover ...

True Hallucinations. So far in this investigation into
psychedelic literature we have identified a number of ideas
that appear to be central components of the genre. In a
nutshell; a said work requires firstly a psychonaut, the
protagonist who has willing intention to explore their
conceptual understanding of the world, secondly the
presence of psychedelic drugs that act as the ...
